

Open position: Registered nurse PRN

Contact: Rachel Hollis, RN Center Director. rhollis@amsurg.com

Job description:

[The Surgery Center of Middle Tennessee](#) is a freestanding outpatient surgical facility dedicated to a broad range of surgical procedures. Our surgeons specialize in orthopedic, pain management and eye procedures and services. We believe in compassionate medicine, where our focus is on each individual patient. Our experienced surgeons have dedicated themselves to caring for their Middle Tennessee neighbors and surrounding communities. When you walk through the door, you'll know you're in good hands.

We are currently searching for a **(PRN) Registered Nurse** to work Mondays – Fridays who can work cooperatively with staff and physicians and perform a variety of tasks. Major responsibilities include: prepares patients for procedures; assist physician during procedure; provides care for patients in recovery and actively participates in all Quality Assurance and Performance Improvement activities.

[Previous OR, Pre-op and PACU experience preferred. Must be willing to learn all areas]
Candidate must demonstrate proficiency in acute care nursing, knowledge, and skills, be a graduate of an accredited school of nursing, have a current state license to practice as a registered nurse, maintain basic cardiac life support certification and ACLS, and have at least two years of registered nurse experience.

If you are interested in working in an environment that provides exceptional patient care, please apply online or send resume to: rhollis@amsurg.com
