

PRN Certified Surgical Technologist

The Surgery Center of Middle Tennessee is a freestanding outpatient surgical facility dedicated to a broad range of surgical procedures. Our surgeons specialize in orthopedic, pain management and eye procedures and services. We believe in compassionate medicine, where our focus is on each individual patient. Our experienced surgeons have dedicated themselves to caring for their Middle Tennessee neighbors and surrounding communities. When you walk through the door, you'll know you're in good hands.

We are currently searching for Certified Surgical Technologist to work **PRN** Mondays–Fridays who can work cooperatively with staff and physicians and perform a variety of tasks. Major responsibilities include ensuring proper care and use of surgical instruments. You must possess a HS school diploma/GED, have completed a surgical scrub technician course, have operating room experience, and have strong moral and ethical character references.

If you are interested in working in an environment that provides exceptional patient care, please apply online or send resume to: rhollis@amsurg.com

Effective November 1, 2021, AMSURG's Vaccination Policy requires all teammates, including clinicians and independent contractors, to be fully vaccinated for COVID-19 as a condition of employment or engagement. Regardless of position, all new hires must submit proof of vaccination and or obtain an approved medical or religious exemption as a condition of employment. This policy is designed to protect the health and safety of our patients, communities, and each other.

Must pass a background check and drug screen.

We do not discriminate in practices or employment opportunities on the basis of an individual's race, color, national or ethnic origin, religion, age, sex, gender, sexual orientation, marital status, veteran status, disability, or any other prohibited category set forth in federal or state regulations. We are an equal opportunity employer.
